RE: PRESIDENT AKUFO-ADDO DIRECTS AUDIT INTO SM GRA CONTRACT,  
SUSPENDS PERFORMANCE OF CONTRACT

Strategic Mobilisation Ghana Ltd. (SML) has taken notice of the directive by the President, H.E. Nana Addo Dankwa Akufo-Addo, to suspend our revenue assurance contract with the Ghana Revenue Authority (GRA) and the Ministry of Finance.

We welcome the directive and the decision to appoint KPMG to conduct an immediate audit of the contract.

SML awaits the results of the audit, as it will help establish a clear and accurate picture of our operations. We hope that the report's findings will be made public, allowing for transparency and accountability.

We remain resolute in upholding the highest business standards and welcome the scrutiny that this audit would bring. We are confident that the findings will confirm the integrity of our collaboration with GRA and the Ministry of Finance and provide ample evidence of the value we provide citizens.
